

Practical.
Advanced.
Immersive.

SPEAKER

Dr Rokas Jancevicius

FULLY DIGITAL FP1 UNFILTERED

Real Cases. Real Challenges. Real Solutions.

5-6 FEB 2027

Dates

1 LYRIC SQUARE

London, W6 0NB

EARLY BIRD

£2,490 until 20th August

MOVE BEYOND THEORY

Discover how FP1 cases are planned, executed and restored in daily clinical practice. This intensive two-day programme presents a transparent, evidence-based and fully digital approach to FP1 full-arch rehabilitation.

CASE-LED

Real-world FP1 decision-making, from selection to execution.

FULLY DIGITAL

Reverse planning, smile design integration and workflow control.

HANDS-ON

Practical surgical and prosthetic protocols across two intensive days.

WHAT YOU WILL LEARN

- Complete digital FP1 workflow
- Predictable case selection and planning
- Guided surgery and photogrammetry protocols
- Immediate loading workflows
- Soft tissue management techniques
- Digital provisional fabrication and delivery
